Have a little dog that has big dog energy, or needs to build some confidence? Come try Teacup Agility! Obstacles are scaled down to a size more appropriate to the little guys. Jump heights will be set in a range from 4" to 16", with adjustments for long-backed and short-legged dogs.

Please note that participation in these classes is limited to small dogs, measuring no more than 20" at the shoulder.

LET THE FUN BEGIN! Does your dog already have some skill in obedience, and you are looking for other activities? The **Intro to Agility Obstacles** class will introduce you and your dog to many of the obstacles involved in dog agility. Teach your dog to jump over hurdles, run through tunnels, weave through poles, jump through tires, etc. We will also reinforce obedience skills such as recall, wait, sit, down...

Teacup Agility Level 1 - Intro to Obstacles

Requirements: Completion of a Basic Obedience class, Obedience for Agility class or approval from the instructor.

6-week class - \$130 per dog and handler team

Class start date: Thursday, September 21, 2017 – 8:15 PM to 9:15 PM

Teacup Agility Level 2 – Sequencing

Requirements: Completion of an Introduction to Agility Obstacles class or approval from the instructor. Your dog should be able to perform the agility obstacles with confidence. In the Level 2 class, we will work on improving handler skills and teach your dog to discriminate between obstacles.

Monthly class ongoing - \$65/month per dog and handler team

Thursdays 7:00 PM – 8:00 PM
